November 3, 1983

Dear Harold,

I saw this in a bookstore and thought I would pass it along, as you'd mentioned it. If you ever have a copy of Post-Mortem or one of the others you could sign and send along I'd appreciate it.

Sent 11/7/83

I saw Bailey (the FBI man) yesterday in N.J., which was helpful. Things move along, but slowly.

Sincerely,

Greg Stone
